

UNITED STATES DISTRICT COURT  
DISTRICT OF NEW JERSEY

RONNELL TAYLOR,

Plaintiff,  
v.

CAMDEN COUNTY JAIL,

Defendant.

HONORABLE JEROME B. SIMANDLE

Civil Action  
No. 16-cv-06953 (JBS-AMD)

**OPINION**

APPEARANCES:

Ronnell Taylor, Plaintiff Pro Se  
A-10 Sycamore Cts.  
Camden, NJ 08103

**SIMANDLE, Chief District Judge:**

**I. INTRODUCTION**

Plaintiff Ronnell Taylor seeks to bring a civil rights complaint against Camden County Jail ("CCJ") pursuant to 42 U.S.C. § 1983 for allegedly unconstitutional conditions of confinement. Complaint, Docket Entry 1.

28 U.S.C. 1915(e)(2) requires a court to review complaints prior to service in cases in which a plaintiff is proceeding *in forma pauperis*. The Court must *sua sponte* dismiss any claim that is frivolous, is malicious, fails to state a claim upon which relief may be granted, or seeks monetary relief from a defendant who is immune from such relief. This action is subject to *sua*

sponte screening for dismissal under Section 1915(e)(2)(B) because Plaintiff is proceeding *in forma pauperis*.

For the reasons set forth below, the Court will dismiss the Complaint with prejudice for failure to state a claim. 28 U.S.C. § 1915(e)(2)(b)(ii).

## **II. BACKGROUND**

Plaintiff's Complaint states: "I was in the Camden County Jail in a two man cell with 4 people. I was sleeping on the floor near the toilet where inmate was urinating, defacating [sic] and vomiting near my head, wish [sic] cause me to get sick from the smell. I obtain[ed] a few boils on my buttox and arms. Taking showers the water has so much iron in it caused my feet, hands and body to become dry and itching. My feet was [sic] peeling skin off." Complaint § III(C).

Plaintiff states that the alleged events giving rise to these claims occurred: "January 19, 2014." *Id.* § III(B).

Plaintiff alleges that he "pulled muscles in back do [sic] to getting up off the floor and bending back down to lay down next to the toilet." *Id.* § IV.

Plaintiff seeks \$5,000 in relief. *Id.* § V.

## **III. STANDARD OF REVIEW**

To survive *sua sponte* screening under 28 U.S.C. § 1915(e)(2) for failure to state a claim, a complaint must allege "sufficient factual matter" to show that the claim is facially

plausible. *Fowler v. UPMS Shadyside*, 578 F.3d 203, 210 (3d Cir. 2009) (citation omitted). "A claim has facial plausibility when the plaintiff pleads factual content that allows the court to draw the reasonable inference that the defendant is liable for the misconduct alleged." *Fair Wind Sailing, Inc. v. Dempster*, 764 F.3d 303, 308 n.3 (3d Cir. 2014). "[A] pleading that offers 'labels or conclusions' or 'a formulaic recitation of the elements of a cause of action will not do.'" *Ashcroft v. Iqbal*, 556 U.S. 662, 678 (2009) (quoting *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544, 555 (2007)).

**IV. DISCUSSION**

Plaintiff asserts claims against CCJ for allegedly unconstitutional conditions of confinement.

Primarily, the Complaint must be dismissed as CCJ is not a "state actor" within the meaning of § 1983. See, e.g., *Grabow v. Southern State Corr. Facility*, 726 F. Supp. 537, 538-39 (D.N.J. 1989) (correctional facility is not a "person" under § 1983). Accordingly, the claims against CCJ must be dismissed with prejudice.

Furthermore, "plaintiffs who file complaints subject to dismissal should receive leave to amend unless amendment would be inequitable under [§ 1915] or futile." *Grayson v. Mayview State Hosp.*, 293 F.3d 103, 114 (3d Cir. 2002). This Court denies leave to amend at this time as Plaintiff's Complaint is barred

by the statute of limitations, which is governed by New Jersey's two-year limitations period for personal injury.<sup>1</sup> See *Wilson v. Garcia*, 471 U.S. 261, 276 (1985); *Dique v. N.J. State Police*, 603 F.3d 181, 185 (3d Cir. 2010). The accrual date of a § 1983 action is determined by federal law, however. *Wallace v. Kato*, 549 U.S. 384, 388 (2007); *Montanez v. Sec'y Pa. Dep't of Corr.*, 773 F.3d 472, 480 (3d Cir. 2014). "Under federal law, a cause of action accrues when the plaintiff knew or should have known of the injury upon which the action is based." *Montanez*, 773 F.3d at 480 (internal quotation marks omitted).

Plaintiff states that the alleged events giving rise to his claims occurred: "January 19, 2014." Complaint § III(B). The allegedly unconstitutional conditions of confinement at CCJ would have been immediately apparent to Plaintiff at the time of detention. Accordingly, the statute of limitations for Plaintiff's claims expired in January 2016. As there are no grounds for equitable tolling of the statute of limitations,<sup>2</sup> the

---

<sup>1</sup> "Although the running of the statute of limitations is ordinarily an affirmative defense, where that defense is obvious from the face of the complaint and no development of the record is necessary, a court may dismiss a time-barred complaint *sua sponte* under § 28 U.S.C. § 1915(e)(2)(B)(ii) for failure to state a claim." *Ostuni v. Wa Wa's Mart*, 532 F. App'x 110, 111-12 (3d Cir. 2013) (per curiam).

<sup>2</sup> Equitable tolling "is only appropriate '(1) where the defendant has actively misled the plaintiff respecting the plaintiff's cause of action; (2) where the plaintiff in some extraordinary way has been prevented from asserting his or her rights; or (3) where the plaintiff has timely asserted his or her rights

Complaint will be dismissed with prejudice. *Ostuni v. Wa Wa's Mart*, 532 F. App'x 110, 112 (3d Cir. 2013) (per curiam) (affirming dismissal with prejudice due to expiration of statute of limitations).

v. **CONCLUSION**

For the reasons stated above, the Complaint is dismissed with prejudice for failure to state a claim. An appropriate order follows.
